MEMORANDUM

From: Director of Naval Intelligence  
To: Director of Central Intelligence  
  
Subj: Intelligence Support for Voice of America with regard to  
Soviet Jamming  
  
Ref: DCI Memo to IAC re same subject, dated 21 July 1950

1. ONI previously concurred in the provisions of the reference by reason of the fact that there appears to be no compelling reasons in favor of assignment of the additional monitoring facilities to either AFSA or to CIA control. However, at the last AFSAC meeting, on 25 August 1950, it was apparent that all members did not concur in the ONI view. As certain of the AFSAC members are also members of USCIB and as NSCID No. 9 can be interpreted to place certain aspects of monitoring within the cognizance of USCIB by reason of its communications intelligence value, it is recommended that the reference be referred to USCIB before transmission to the Secretary, NSC.
